From College Road turn into Longdown Lane South.

There are 3 entrances on the right, take the last one which has a sign board indicating Epsom College with 5 centres indicated on it, the fourth one is the swimming pool turn into this road and follow it until you come to a square car park.

Park here and look for signs which will tell you where the swimmers are to go and where the spectators view point is.

If you come from the Downs then the entrance will be on the left before the bend in the road by the college.
